

# iGrow Covenant

*Covenant (Kuv'-e-nant), n. A written agreement; a deed; a free promise of God's blessing; a solemn agreement of fellowship and faith.*

**You are invited** to be part of an amazing spiritual adventure. This is not something for everybody. It's a challenge, an exercise in commitment and faith and a meaningful agreement of fellowship and faith between members of Christ's body!

iGrow is a group of students who are willing to make an agreement or covenant with each other that they will genuinely seek to grow in their relationship with Christ individually and grow in their relationships with each other as a group. This could be the most meaningful experience you have had to date and can radically change your future for the best.

You don't have to be a spiritual "superhero" to be part of iGrow. All you need is to want to grow and be willing to commit to the journey. As part of your iGrow covenant, you will commit to:

- Attend iGrow each week
- Attend Fall & Spring iWeekend (no cost to you)
- Arrive on time
- Practice the discipline of a daily Quiet Time
- Memorize weekly Scripture
- Respect that iGrow is a "no cell phone" environment
- Don't bring outside guests to group (anyone can sign up to be a part of iGrow at any time, but they must go through the commitment process before joining a group)
- Live a life that displays Christ's love

**Note:** you do have to be involved in iGrow to be an iLeader

***I wish to make such a commitment!***
